IS MOVING FROM FUTURELEARN TO SPECTRUM!

1

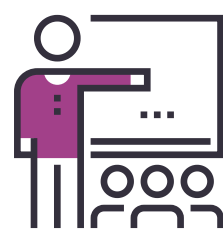

WHAT'S CHANGING?

- Starting Semester I, 2025/2026, the course will be hosted on SPeCTRUM using Siswamail.
- Access to FutureLearn will no longer be available.
- SPeCTRUM is already in use, making it a familiar platform.

2

WHAT STAYS THE SAME?

- The course remains fully asynchronous.
- You can continue learning at your own pace.
- Course content and requirements remain unchanged.

3

REGISTRATION METHOD

- Candidates must register for the course only through **MAYA Portal**.
- Other registration methods **won't be accepted**.
- Access and start your course on SPeCTRUM.

4

COMPLETE THE COURSE

- Finish **all assignments and assessments**.
- The final deadline for completion is no later than within the semester.
- Any requests for extension will not be entertained.

5

GRADING OF ASSESSMENT

- Results are announced with the semester's official results.
- Grades will be posted on the MAYA portal.
- Candidates should check SPeCTRUM for any updates and ensure all assignments are submitted for their marks.

To pass GLT7002 / GLT7002D, you must:

IMPORTANT REMINDER

- Complete all activities and assessments on SPeCTRUM within the semester.
- Failure to complete the final assessment will result in **F**.
- Certificates from FutureLearn will no longer be accepted starting Semester I, 2025/2026.
